

CLUBS 2022-2023

Clubs are optional after-school programs offered to Nursery Bet (3's) and Pre-K (4's) children. Clubs take place from 1:00 to 2:00pm Monday thru Thursday. The program cost is \$700 for the year, for each day selected. At least two preschool teachers are always present. *No refunds or credits provided for missed or dropped classes.* Enrollment in Clubs is limited.

Monday <i>Cooking</i>	Morah Nicole brings a variety of cooking activities to the children in this hands-on program. Cooking enhances children's thinking, problem-solving, and creativity. Cooking teaches and reinforces many skills such as counting, measuring, following a sequence, following directions, and cause and effect.
Tuesday <i>Soccer</i>	Instructors from Soccer Super Stars teach the fundamentals of soccer in a fun, non-competitive and age appropriate manner. Instructors use positive reinforcement to ensure each child feels supported and confident in his or her own abilities.
Wednesday <i>Stamford Nature Center</i>	Instructors from the Nature Center bring new animals every week for the children to touch and discover. A wide variety of scientific concepts related to animals and nature are incorporated.
Thursday <i>Zumba / Art</i>	Children develop their creative side as Morah Nicole varies the Thursday activity – sometimes Zumba and sometimes Art! Zumba helps develop a healthy lifestyle and incorporates fitness as a natural part of children's lives by making fitness fun. During Art, children paint, draw, craft and more, all while receiving the crucial, developmental benefits of art, including: healthy expression of emotions, enhanced fine motor skills, greater concentration, enhanced self-esteem, healthy social skills, and cognitive problem solving skills.

To register, email greta@chabadgreenwich.org and type "Clubs" in the subject. State the days / Club you want to enroll your child.

The first day for Clubs is Monday September 19th. There are no Clubs on days of early release.
