

CLUBS 2025-2026

Clubs are optional after-school programs offered to children enrolled in the Three's and Pre K programs. Clubs take place from 1:00 to 2:00pm Monday thru Thursday. At least two preschool teachers are always present. Enrollment in Clubs is limited.

No refunds or credits provided for missed or dropped classes.

Tuesday Cooking	Morah Nicole brings a variety of cooking activities to the children in this hands-on program. Cooking enhances children's thinking, problem-solving, and creativity. It teaches and reinforces many skills such as counting, measuring, following a sequence, following directions, and cause & effect. Morah Nicole enjoys exposing children to new foods and focuses on the experience rather than the recipe.
Thursday Little Earth Keepers	Rooted in the Jewish value of <i>Tikkun Olam</i> – repairing the world, children practice caring for our plant with kindness and creativity. Morah Nicole leads fun, age-appropriate activities such as repurposing, planting, cooking and reducing waste. Children explore big ideas like sustainability, gratitude and responsibility – one small action at a time.
Monday & Wednesday Art	Children develop their creative side with Morah Ayelet. Children are encouraged to express themselves, emphasizing creativity and experimentation through age-appropriate projects, themes, and skills. A variety of materials and techniques are explored, including watercolor, tempera, recycled materials, mixed media and clay. Morah Ayelet's classes enhance social and emotional skills.
