

CLUBS 2026-2027

Clubs are optional after-school programs offered to children enrolled in the Three's and Pre K programs. Clubs take place from 1:00 to 2:00pm Monday thru Thursday. The program cost is \$735 for the year, for each day selected. Enrollment in Clubs is limited.

No refunds or credits provided for missed or dropped classes.

Monday Cooking	Morah Nicole brings a variety of cooking activities to the children in this hands-on program. Cooking enhances children's thinking, problem-solving, and creativity. It teaches and reinforces many skills such as counting, measuring, following a sequence, following directions, and cause & effect. Morah Nicole enjoys exposing children to new foods and focuses on the experience rather than the recipe.
Wednesday Gardening	GARDENING: Morah Nicole introduces the children to the many rewards of gardening through hands on activities in our own school garden. School gardens are shown to help increase a child's consumption of fruits and vegetables, improve environmental attitudes and instill a respect for nature.
Tuesday & Thursday Art	Children develop their creative side with Morah Ayelet. Children are encouraged to express themselves, emphasizing creativity and experimentation through age- appropriate projects, themes, and skills. A variety of materials and techniques are explored, including watercolor, tempera, recycled materials, mixed media and clay. Morah Ayelet's classes enhance social and emotional skills.

To register, email greta@chabadgreenwich.org and type "Clubs" in the subject. State the days / Club you want to enroll your child.

The first day for Clubs is Tuesday September 22nd. There are no Clubs on days of early release.
